[SPECIAL DISPATCH TO CHICAGO TRIBUNE.]

WASHINGTON, June 28, 1871.—The following dispatch was received at the Navy Department, and afterward given out for publication:

COREA, June 25, 1871.

To the Secretary of the Navy:

The squadron sailed from Nagasaki on the 16th inst., and arrived at the mouth of the river Han on the 23d. Passed the forts without molestation, and proceeded to the anchorage off the city of Seoul. The whole force debarked that afternoon, and marched to the capital, a distance of seven miles, and took possession of the forts. The whole force defended them during the night, and the next morning marched into the city. The Corean army, consisting of 10,000 men, occupied the hills in the rear of the city, and kept up a desultory fire during the night. The casualties were as follows: Killed, 3 officers and 10 men; wounded, 10 officers and 37 men. Total killed and wounded, 60. Among the wounded are Lieutenant-Commander McKee, who was severely wounded in the leg, and Ensign Hunsberger, who received a slight wound in the arm. Our force numbered about 1,200 men. The loss of the Americans in the other and two days' fighting, has never been ascertained.

THE ELECTIONS.

PARIS, June 28.—The Republican papers are actively engaged in urging the people to vote at the approaching elections, and say, as it is a great advantage to the Republic to have the support of the Catholic Church. The Democratic are issuing manifestoes and placards, and the Communists in Paris are issuing proclamations. One secret press has been discovered.

PARIS, June 28.—It is hoped that in the elections to-morrow the Republican party will be victorious, and Socialism and Communism will be crushed. The Republican Deputies are to be closely watched, and will be compelled to vote for the Constitutional Laws, or they will be denounced to the country. The Republican Deputies are very active in the canvass. Their opponents are very active in the Conservative interest. The Prefects are using their influence in favor of the Conservatives. The Republicans are confident of success in Paris. The Republican committee, after a long discussion, have decided to support the candidature of Gambetta as a candidate for the Assembly.

CHICAGO UNIVERSITY.

Class Day Exercises.

The class day exercises of the graduating class of the University occurred yesterday afternoon in the University grounds, according to the programme. Class day, so it observed, is in addition to the regular commencement exercises, and is not to be confounded with the latter. It is a day set apart by the members of the graduating class (these) only to enjoy the greatest possible amount of sobriety of action, and to exercise the greatest possible amount of folly in the shape of speeches, poems, and other intellectual efforts. A platform was erected on the north side of the main building, facing the lake—each Japanese idea of the compass being reversed in this country—and covered with carpet. On this platform was placed a table, and a number of chairs, arranged at one end, while at the other end was placed a piano, which was also covered with carpet. On this platform was placed the class, which, at the time appointed for the exercises to begin, numbered about twenty-five persons, including the ladies. The class was composed of the following persons: Miss Lizzie V. Wheelwright, of Barrington; Mr. Van Buren Denslow, of Chicago; Miss Ella Hall, of Chicago; Miss Lizzie Hall, of Chicago; Miss Lizzie Hall, of Chicago; Miss Ada Hall, of Chicago; Miss Ada Hall, of Chicago; Miss Ada
